## How Can Parents

allow their children to cough and strain and cough and calmly say: "Oh! it's only a little cold," and keep giving them cheap and dangerous medicines, until they are down with lung fever or consumption, when they can be so easily relieved by BEGG'S CHERRY COUGH SYRUP? It has no superior and few equals. W. H. Chedie, Druggist.

## Political Aspirants.

A. C. Cleveland would like to be U. S. Marshal of Utah, and a good one he would make.  
G. F. Turrittin, of Winnemucca, is circulating a petition requesting his appointment as U. S. Surveyor General of Nevada.  
L. A. Blakeslee, of Winnemucca, is willing to be collector of Internal Revenue, if Nevada should be made a district.  
C. H. Colburn, of Virginia, expects to be coiner at the Mint.  
G. R. A. Bibbens, of White Pine, is after the Melter and Refiner place at the Mint.  
Sam Wright, of Carson, is being pushed for Supt. of the Mint.  
W. E. Sharon is said to be desirous of receiving the Republican nomination for Governor next time.—Journal.

## Death of Cap. Avery.

At 5:30 on Sunday afternoon, Cap. Avery died of smallpox at the Pest House. He seemed to be rapidly recovering, and was chatting and laughing pleasantly, when he suddenly went into convulsions and passed away. The report in the Virginia Chronicle that he was neglected by his nurse is in error.  
He was a member of the Masonic fraternity, the G. A. R., and also belonged to the Carson Guard and Warren Engine Co., all of which organizations would have assisted at his funeral had he not died of a contagious disease.

## Card From Dr. Meyers.

CLEVELAND, Ohio,

Feb. 24.

TO THE EDITOR OF THE APPEAL.—My papers will be granted me in March and I will return to Carson at the earliest moment; please make a mention in your paper of my expected return about April the 12th and that I propose to locate in Carson and practice medicine there, also that my absence was due to not meeting with a response from the faculty.

Yours very truly,  
J. L. MEYER, M. D.

## Gallagher's Long Head.

Yesterday Mr. Dunlop of Storey rose to inquire why the 12 o'clock closing bill was still maintained at the bottom of the pile.  
"Sit down," said Gallagher in a whisper as he kicked his shins.  
"Why?" said Dunlop.  
"You d— idiot don't you see that bill is good for ten drinks a day to every one of us as long as it is kept alive?"  
Dunlop tumbled.

## Anti-Lottery Bill Killed.

Thaxter's anti-lottery and raffie bill was knocked out last evening. As soon as its fate was known to the author they began to chuck dice at the drug store for the music box, and No. 44, held by Hy Doane won the prize. He threw 45 in three throws. The ticket held by this office only threw 36; just our darned luck.

**Cough! and Cough! and Cough!**  
What in the world is the reason you will cough and keep coughing and still keep trying inferior medicines when BEGG'S CHERRY COUGH SYRUP will positively relieve your cough at once? This is no advertising scheme, but an actual fact, and we guarantee it. W. H. Chedie, Druggist.

## Funeral of Major Cobb.

The funeral of Major Cobb took place on Sunday from his late residence, Rev. Woods officiating.  
The house was crowded with his friends and relations, and the coffin was literally covered with floral decorations.

## Appropriate Signals.

Yesterday small American flags were distributed about the House and Senate and stuck on each members desk. Some wag who wanted to have a little fun nailed yellow flags on the desks of the democratic members.

## Advice to Mothers.

Mrs. Winslow's Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays the pain, cures wind colic, and is the best remedy for diarrhoea. Twenty five cents a bottle.

—WANTED—Women to do house work. Apply at this office. t f

### What on Earth

Is the reason people will not, cannot, or do not see any difference in cheap nos trums put up by Cheap John houses or irresponsible parties at enormous profits, rather than take a medicine of world wide reputation and one that is giving universal satisfaction at equal price?

No medicine in the world is giving such unparalleled satisfaction for purifying the blood as BEGG'S BLOOD PURIFIER & BLOOD MAKER, and every bottle that does not do its work, will cost you nothing. W. H. Chedie, Druggist.

### A Pleasant Resort.

Members and Attaches of the Legislature and the other Winter sojourners at the Capital, can find no pleasanter place of resort for reading the latest papers and magazines and selecting popular books than at Cagwin and Noteware's corner store—diagonally opposite the B. & E. Bank on Carson street. Here can always be found all sorts of plain and fancy stationery and general office supplies; besides an endless variety of novelties.

—The following is from the pen of Mr. L. P. Bardwell, editor of the THE MARION (Iowa) PILOT, will, we believe be of interest to many of our readers. He says: "It is with pleasure that I certify to the real merits of Chamberlain's Cough Remedy. I have used it in my family for years and have always found it most excellent, and especially for colds, croup and sore throat. It is safe and effective." For sale by G. C. Thaxter.
